ORDER FOR REPLY

The Official Committee of Unsecured Creditors has filed a motion concerning pre-petition insider compensation. The Committee seeks to file its motion under seal. The Court is concerned about whether this type of a motion should be filed under seal. It appears to concern a matter of public interest concerning insider payments. It does not appear to contain proprietary information.

Not later than noon on November 25, 2020, any party in interest may file a reply in which that party advocates for or against allowing the Committee's motion to be filed under seal. Replies should include case law with reasoned explanations as to whether an agreement to seal the motion is relevant under 11 U.S.C. § 107.
